Group hopes to extend paving of Fox River Trail

Press-Gazette

The Friends of the Fox River Trail will launch a fundraising campaign to pave an additional mile of the trail south of De Pere.

The campaign will begin with a kick-off picnic from 11 a.m. to 3 p.m. Sunday in the parking lot of Outback Design, 107 N. Broadway, De Pere. The picnic is open to the public.

The group hopes to raise \$62,000 to pave a section of the trail south of Rockland Road. The county will pave a one-mile section of the trail from Heritage Road to Rockland Road this year. The trail is currently paved from the trailhead at Porlier Street in Green Bay to Heritage Road, a distance of six miles. The rest of the 25-mile trail has a crushed limestone surface.

Cliff Wall, president of the Friends of the Fox River Trail, said the heavy use of the trail made it important to provide more paving, particularly for bicyclists and skateboarders.

Potential donors can purchase a linear yard of asphalt for \$75, an inch for \$5 or a foot for \$50. Commemorative bricks will be engraved for anyone who buys two or more yards.

Contributions can be made by sending checks to Friends of the Fox River Trail, care of Jerry Ladewig, Treasurer, 3320 Patrick Court, Green Bay, 54301.
