The Brown County Parks Department will dedicate a six-mile extension to the Fox River Trail at noon today at its Greenleaf trailhead.

The extension, funded by a \$200,000 grant from the Wisconsin Department of Natural Resources, elongates the trail to nearly 20 miles.

The trail has been open since June, but the dedication was held back until final details — such as finishing the parking lot and the shelter and putting up signs — were complete, said Matt Kriese, park supervisor.

Kriese is expecting the ceremony to be about 30 minutes with several speakers, including words from Doug Hartman, assistant park director.

Kriese said the main purpose of the event is to "make people aware of it (the trail) more than anything."
